

# Harbor Smith PERSONALIZED SERVICE MAINTENANCE FOR YOUR BOAT

## WELCOME TO HARBOR SMITH

Harbor Smith, based in San Francisco, specializes in personalized service maintenance for your boat. We understand that every vessel is unique, so we tailor our care to meet your specific needs. From routine upkeep and protective detailing to specialized maintenance, our experienced team ensures your boat remains reliable, safe, and seaworthy. With a commitment to quality, efficiency, and trust, Harbor Smith provides peace of mind, allowing you to enjoy the freedom of the water without worry.

### OUR SERVICES INCLUDE:

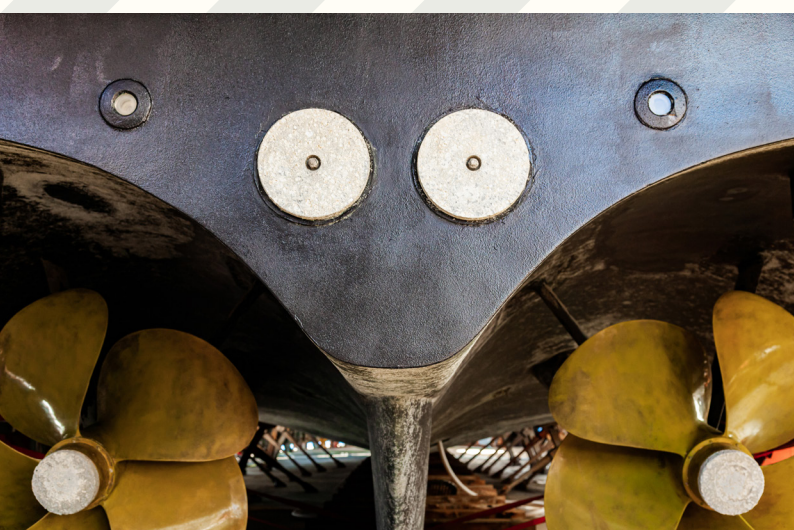

#### HULL CLEANING

Our company specializes in professional boat hull cleaning, ensuring peak performance, fuel efficiency, and protection of your vessel. Using eco-friendly methods, we remove marine growth, grime, and buildup that slow you down. Reliable, thorough, and trusted by boat owners, we help keep your hull spotless and seaworthy year-round.

#### EXTERIOR WASH AND WAX

We provide expert boat washdown and waxing services to keep your vessel looking pristine and protected. From salt and grime removal to professional waxing, we ensure a spotless shine and long-lasting protection against the elements. Trusted by boat owners, our reliable team helps maintain both beauty and value of your craft.

#### ANODE CHANGES

We specialize in professional boat anode changing services, protecting your vessel from costly corrosion and extending its lifespan. Our expert team inspects, replaces, and maintains sacrificial anodes to ensure your boat stays safe in all waters. Reliable, efficient, and trusted, we keep your hull, propellers, and fittings fully protected.

*I have had the pleasure of working with Leah and her team a number of times over the past year or so for various services and I cannot recommend them highly enough. Leah herself is absolutely lovely and very involved in the projects she runs and all the team have been very professional. Harbor Smith has my full support.*
